Guidelines on Leave Types, Accrual, and Application

Effective Date: January 1, 2026

Version 1.0 | Human Resources Department

1. Purpose and Scope

This Leave Policy outlines the types of leave available to employees of Acme Corporation, the process for applying for leave, and the rules governing leave accrual and usage.

This policy applies to all full-time employees of Acme Corporation across all locations, unless a separate policy is specified for a particular region due to local labor laws.

2. Types of Leave

Casual Leave (CL)

Employees are entitled to 12 days of casual leave per calendar year, credited at the rate of 1 day per month. Casual leave can be used for personal matters and short-term needs.

Sick Leave (SL)

Employees are entitled to 10 days of sick leave per calendar year. A medical certificate is required for sick leave exceeding 2 consecutive days.

Earned Leave (EL)

Employees accrue 1.5 days of earned leave per month, totaling 18 days per year. Earned leave can be carried forward up to a maximum of 45 days.

Maternity Leave

Female employees are entitled to 26 weeks of paid maternity leave as per applicable statutory regulations, for up to two children.

Paternity Leave

Male employees are entitled to 2 weeks of paid paternity leave, to be availed within 3 months of the child's birth.

3. Leave Application Process

All leave requests must be submitted through the HR portal at least 2 working days in advance, except in cases of emergency or illness.

Approval Workflow

- Leave request is submitted by the employee via the HR portal.
- The reporting manager reviews and approves or rejects the request.
- HR is notified automatically upon approval for record-keeping.
- Approved leave reflects in the employee's leave balance immediately.

Emergency Leave

In case of a genuine emergency, employees should inform their manager as soon as possible via phone or email, and formally apply on the portal upon return.

4. Public Holidays

Acme Corporation observes 12 public holidays each year, as per the list published annually by HR on the internal portal.

Employees required to work on a public holiday due to business needs are eligible for compensatory leave, to be availed within 30 days.

Optional Holidays

In addition to fixed public holidays, employees may choose 2 optional holidays from a list of regional or cultural holidays provided by HR.

5. Leave Encashment and Carry Forward

Unused earned leave beyond the carry-forward limit of 45 days will be encashed at the end of the calendar year based on the employee's basic salary.

Casual leave and sick leave cannot be encashed and will lapse at the end of the calendar year if unused.

Leave During Notice Period

Employees are generally discouraged from availing long leave during their notice period, except for medical emergencies, and such leave requires special approval from HR.

6. Unauthorized Absence

Any absence from work without prior approval or valid intimation will be treated as unauthorized leave and may be marked as Loss of Pay (LOP).

Repeated instances of unauthorized absence may lead to disciplinary action as outlined in the Employee Handbook.

For any questions regarding this policy, employees may reach out to the HR team via the internal helpdesk.
