Travel Policy

Guidelines for Official Business Travel

Effective Date: January 1, 2026

Version 1.0 | Human Resources Department

1. Purpose and Scope

This Travel Policy defines the guidelines for booking, conducting, and claiming expenses for official business travel undertaken by employees of Acme Corporation.

This policy applies to all domestic and international business travel undertaken on behalf of the company.

2. Travel Approval Process

All business travel must be approved in advance by the employee's reporting manager through the Travel Request Form on the internal portal.

Approval Timeline

Domestic travel requests should be submitted at least 5 working days in advance, while international travel requests require a minimum of 15 working days for visa processing.

Travel Booking

All flight, train, and hotel bookings must be made through the company's designated travel desk to ensure corporate rates and proper documentation.

3. Mode of Travel and Entitlements

Domestic Travel

- Executives and Senior Managers: Business class for flights over 5 hours, Economy otherwise.
- Managers and below: Economy class for all domestic flights.
- Train travel: AC 2-tier or equivalent for all employee levels.

International Travel

International travel entitlements are based on employee grade and are detailed in the Travel Entitlement Matrix available on the HR portal.

Local Transportation

Employees may use company-approved cab services or reimbursed personal transport for travel to and from airports, stations, and client sites.

4. Accommodation Guidelines

Hotel accommodation should be booked through the travel desk within the per-night limits specified for the employee's city category and grade.

City Categories

Cities are classified as Category A (metro), Category B (tier 2), and Category C (tier 3), each with different accommodation limits to reflect cost of living.

Extended Stay

Any stay extension for personal reasons beyond the official business trip must be pre-approved and the additional cost borne by the employee.

5. Expense Claims and Reimbursement

All travel-related expenses must be submitted through the Expense Management System within 15 days of completing the trip, along with original receipts.

Daily Allowance

Employees are entitled to a daily allowance (per diem) to cover meals and incidental expenses while traveling, as per the rates published on the HR portal.

Non-Reimbursable Expenses

- Personal entertainment and mini-bar charges.
- Traffic fines and penalties.
- Expenses for family members accompanying the employee.
- Alcohol and tobacco purchases.

6. Safety and Emergency Guidelines

Employees traveling for business purposes should register their itinerary with the Admin team for safety tracking purposes.

Travel Insurance

All employees traveling on official business are covered under the company's corporate travel insurance policy for the duration of the trip.

Emergency Contact

In case of any travel emergency, employees should contact the 24x7 Admin helpline number provided on the travel confirmation email.

Compliance with this policy ensures a safe, efficient, and cost-effective travel experience for all employees.
